

In September 2005, 37 year-old Angela Walters was diagnosed with Stage 3C breast cancer. After undergoing 16 months of treatment, which included three surgeries, an intensive program of chemotherapy, and a prolonged series of radiation sessions, she made a successful recovery.

During this treatment, Angela met many people who found the cancer treatments so overwhelming, they couldn't work. Many of them also had little or no insurance coverage.

Angela realized that a large number of these cancer patients were worried about meeting their basic financial needs rather than focusing on their recovery. In August 2006, she made an important decision to help other breast cancer patients by founding the Breast Cancer Assistance Program (BCAP) Fund.

A local charity serving Greater Tulsa

Who we are:

BCAP Fund is a 501(c)(3) organization governed by local Tulsa volunteers who provide financial assistance to breast cancer patients undergoing debilitating cancer treatments. Recipients are chosen from the following counties in Oklahoma: Tulsa, Creek, Wagoner, Osage, Rogers, Muskogee, Okmulgee, Pawnee, and Washington.

What we do:

Our candidate committee meets monthly to select deserving recipients for short term rent, mortgage, and utility assistance.

How we do it:

We raise funds through exciting events (with great prizes), corporate donations, grants, and private donations (no amount is too small).

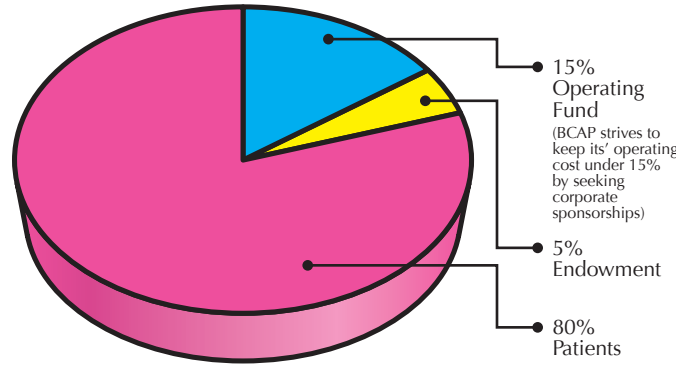

Why we do it:

"I wanted to thank you and your organization for the wonderful work you are doing. My family flew just under the radar when it came to being able to pay for the hospital stays, multiple medications, etc. You are truly doing great work!"

"Thank you so much for the assistance you are able to provide. I cannot express how thankful I am to you for your assistance. This will help in so many ways."

"I wanted to send a small contribution to help someone who needs assistance at a difficult time in their life."

Where does your money go?

What we need:

- Breast cancer patient referrals
- Donations
- Friends of BCAP
- Volunteers to serve as:
 - Board Members
 - Committee Members
 - Event Workers
 - Patient Mentors

"When you come to the edge of all the light you know, and are about to step off into the darkness of the unknown, faith is knowing one of two things will happen:

There will be something to stand on, or you will be taught to fly."
