Peggy Gordon joined BCAP's board in 2010 and serves on the Public Information Committee. Peggy completed her degrees in Secondary Education and English at Tulsa University. She taught high school English in Houston, Texas for seven years and has been a middle school English teacher at Monte Cassino since 2001 (with a one-year stint as the school's music teacher). She has also sponsored championship Academic Bowl Teams throughout her high school and middle school teaching careers.

Peggy's husband, Robert, works for OneOK. They have seven children and sixteen grandchildren, so much of their time is devoted to family. Peggy also volunteers in various capacities with her church—teaching classes, singing solos for services, and serving on the Compassionate Service committee. Peggy directed a children's performing group in Tulsa for seven years, teaching choreography and voice and leading performances in many local venues. She loves photography, genealogy and family history, and reading.
